# ✓ Attendance

## School Attendance

Section 25.092 of the Education Code states that a student may be denied credit if the student is in attendance less than 90% of the days school is open. Failure to meet 90% attendance rule will result in your child having to attend summer school in order to meet attendance promotion criteria to move on the next grade level.

### As a parent, I will...

- Complete my Daily Health Check screener every time I go on campus.
- See that my child attends school regularly, is on time for face to face learning or virtual learning.
- Establish a schedule for learning.
- Monitor online platforms.
- Be flexible and patient with at home learning experiences.
- Review my child's homework every evening to make sure that all work is completed and returned.
- Communicate regularly with my child's teacher.
- Show respect and support for my child, the teacher, and the school.
- Participate in decisions regarding my child's education.

"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."
