

# Olivero Garza Elementary Summer Math Camp Khan Math Log

Week of May 31st - June 4th

<b>Monday</b>	<i>Title of Lesson:</i>
I noticed the following signal (clue) words:	
The mathematical operation I used was (addition, subtraction, multiplication, or division).	
I did / did not use the 5 Step Problem Solving Strategy to find solve the problem(s).	
I did / did not complete the quiz.	
<i>Parent Signature</i>	
<b>Tuesday</b>	<i>Title of Lesson:</i>
I noticed the following signal (clue) words:	
The mathematical operation I used was (addition, subtraction, multiplication, or division).	
I did / did not use the 5 Step Problem Solving Strategy to find solve the problem(s).	
I did / did not complete the quiz.	
<i>Parent Signature</i>	
<b>Wednesday</b>	<i>Title of Lesson:</i>
I noticed the following signal (clue) words:	
The mathematical operation I used was (addition, subtraction, multiplication, or division).	
I did / did not use the 5 Step Problem Solving Strategy to find solve the problem(s).	
I did / did not complete the quiz.
